Southwest Speedway, Dickinson, ND

Andee takes third place overall for the Southwest Summer Mini-Sprint Tour. Andee completed the four race tour with an impressive set of finishes to put her in the third place position. This was the first time the mini's had visited the Southwest speedway. Fans and drivers both had a great time as the mini-sprints always put on an exciting show. Southwest Speedway is contemplating adding the class for the 2010 racing season.
